

TO: Newport US Distributors and Manufacturer Representatives

SUBJECT: HCPCS Codes for Newport HT70 Ventilator

The Centers for Medicare and Medicaid Services, Pricing, Data Analysis and Coding (PDAC) has assigned the following HCPCS codes to use when billing Durable Medical Equipment, Medicare Contractors (DME MACS) for the Newport HT70 and Newport HT70M (with oxygen monitoring) Ventilators.

E0463 - PRESSURE SUPPORT VENTILATOR WITH VOLUME CONTROL MODE, MAY INCLUDE PRESSURE CONTROL MODE, USED WITH INVASIVE INTERFACE (E.G. TRACHEOSTOMY TUBE)

E0464 - PRESSURE SUPPORT VENTILATOR WITH VOLUME CONTROL MODE, MAY INCLUDE PRESSURE CONTROL MODE, USED WITH NON-INVASIVE INTERFACE (E.G. MASK)

These are the same codes used when billing for the Newport HT50 Ventilator.

Please contact Cyndy Miller, Clinical Education Manager at email: Cmiller@NewportMedical.com or tel +1.714.427.5811 ext 218 or with any questions about this information.
